

Totally Croatian

We are very proud of a fact that all of small cruise ships are designed and constructed in Croatia. Moreover, all of our ships are family-run, following the centuries-old tradition. Our all-Croatian crews and captains descend from the generations of seafarers. The Adriatic Sea is their cherished home and sailing is their life. They will do their very best to accommodate your wishes and make your Croatian holiday most enjoyable and unforgettable!

Cabin Information

Cabins are made under new standards, each cabin has independent air-condition, central ventilation system, safe deposit box, smoke and fire alarm, internal radio system (also for announcements from captain or tour leader), lifejackets, cupboard, cabinet, small table with chair and porthole or window. Luggage space is under the bed. Bathrooms are equipped with toilette, shower, wash basin, hairdryer and cosmetic package.

Standard cabins

Eight cabins that can be transformed into double or twin beds.

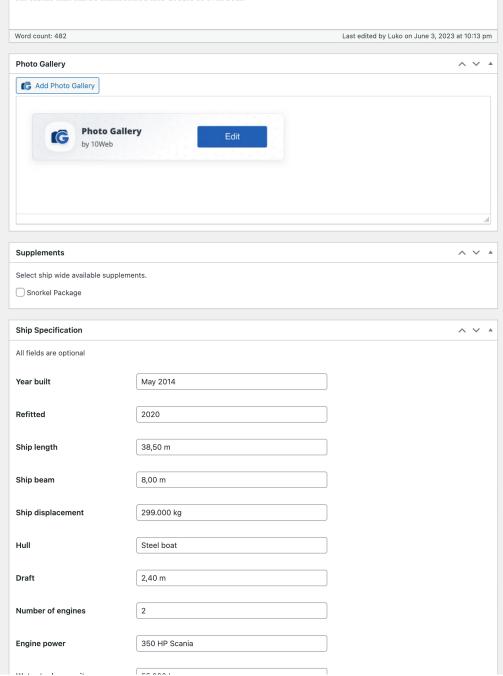

These cabins are equivalent or larger to other cabins in terms of comfort, they are situated under main deck where sea influence and "boat shaking" is <u>minimized</u>, as well as the noise from city cafe music or other boats during summer nights. Standard cabins have entrance doors from the inside of the ship and have porthole that cannot be be opened due to security reasons, but there is a perfect dual ventilation system and air-condition in a cabins that are much cooler.

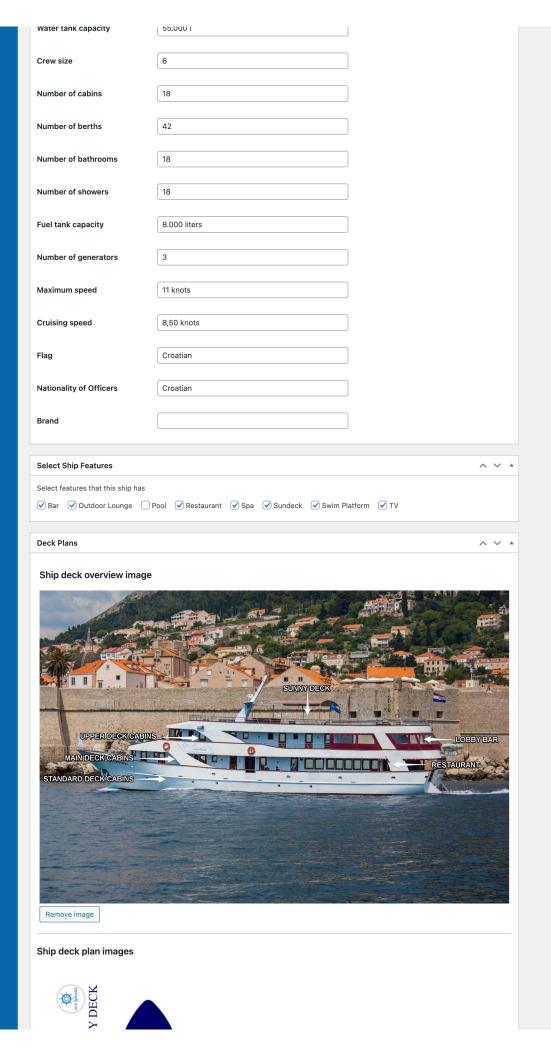

Main Deck

Four cabins that can be double or twin beds with possibility to have third (bunk) bed only if requested. Solo use cabin on this deck is also available.

Upper Deck

Six cabins that can be transformed into double or twin beds.
